

Dear _____,

God has presented to me an exciting ministry opportunity I would like to share with you. June 10-15, 2012, I will be traveling to Copperhill, TN, with a team of Jr. High students to do service projects for the people of the Appalachian region. We are going there to be the hands and feet of Jesus. Here are some of the projects we plan to complete:

- We will help families and/or individuals with home repairs, including carpentry, painting, etc.
- We will minister to individuals through personal interaction with families and with the elderly
- We may also do some house-painting, weatherproofing, landscaping, and general maintenance.
- We will do environmental projects involving rehabilitation and maintenance of stream banks, hiking and bike trails, erosion control, etc.

The total cost of the trip is \$650. I have personally raised \$_____ of that cost. If you can support me financially, I would be very grateful. More importantly, I need your prayer support. Please commit to pray for us—that we will be used by God to share His love with these people. Pray for our safety as we travel and work. Pray that through our experience, we will grow in our own relationship with Christ. Pray for this mission and the people of the Appalachian region.

Thank you,

And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come. Matthew 24:14
