Training Session 2:	Sunday, March 18, 2012	12:30pm—1:30pm	Discovery Room

What to Expect:

The first night is spent settling in and getting better acquainted with each other. The next morning begins with breakfast, a family devotional time, and project orientation. Some time is spent with the residents of the children's home in relational activities as well. Clean-up begins late in the afternoon followed by some down time to take a shower and relax. Dinner is served at 5:30 pm and each evening we will have a time of sharing, debriefing, and playing games.

Objectives:

- Each family to grow in their relationship with Jesus and each other through selfless service to others.
- The spiritual leader of each household to begin a deeper journey of leading their family in a time of prayer, reading God's Word, and living on mission.
- Model Christ-like love in action to the staff and at risk children at the children's home.
- Christian families to develop deeper lasting relationships and real community with other families from White River.
