JUSTICE SESSION | THE UNBORN

Have you ever thought about the moment a human life actually begins? Just 22 days after conception, an unborn baby's heart begins to beat. You can hear their heartbeat, but you can't hear their voice. That's where you come in. Join us for this session as we bring awareness to this vital issue and provide opportunities for you to take action. Be a voice for the unborn. Learn more at the Outreach section of wrcc.org.

WHITE RIVER SPORTS

BUILDING CHARACTER | BALANCING LIFE

REFEREES NEEDED FOR YOUTH SOCCER

At WRS we approach referees a little differently than other leagues. Referees are the authority on the field, but they are also the coach on the field at the same time. We still want them to make every call & keep the game safe, but we want them to explain that call if the the player doesn't understand what he/she did wrong.

Does this sound like something that you could help with? Are you available on Saturday mornings from late April - early June? We will schedule you when you are available & we will train you to be ready to help be the coach during the game. If you are interested or want more info, contact Jason Isaacs, Referee Coordinator, at referee@whiteriversports.org.

CONCESSIONS COORDINATOR POSITION

We are seeking a concessions coordinator for our spring soccer season. This is a part-time paid contract position with WRS. This person will be responsible for coordinating all of the concessions duties during the spring soccer season. If you are interested, please contact Don Whetro, at operations@whiteriversports.org.
