PROJECT 3.19

What is Project 3.19?

We want to be faithful and generous in our financial giving to accomplish our financial priorities and take on a Special Project. We are seeking to increase our Kingdom partnership with Deer Creek Community Church Noblesville. The faith community holds the keys to unlocking the purpose and plan that God has for every person struggling to get on track in life. Deer Creek plans to launch a new "life enrichment ministry" called On Track in downtown Noblesville. Partnering with other churches, government and business leaders, On Track will provide a number of community resources and will work with individuals to develop a plan that will put them on a track to realize their life goals.

What Are the Financial Priorities at WRCC?

The priorities that direct the spending at WRCC are all broken into 5 "buckets". We use this bucket analogy to demonstrate how the money flows thru the priorities. All funds that come to WRCC are essentially poured into the first bucket, and then the overflow continues to fill the rest of the buckets as funds allow. Each week the all funds are poured into Bucket 1 and the remaining buckets are all filled until the funds are depleted.

BUCKET 1 - PRINCIPLES, COMMITMENTS & STAFF

Each Monday, a check is written for 8% of weekly offering to Global Expansion and 3% of to Community Works. Funds for the mortgage, payroll, & employee benefits are also reserved weekly.

BUCKET 2 - MINISTRY PROGRAMMING

Each Monday, ministry programming resource requests are prioritized according to the 2009 Budget and available funds. Examples of programming expenses include children's curriculum, coffee, counseling, small group materials, office supplies, subscriptions & professional fees, worship music & information technology, etc. (In 2009 the Ministry Programming budget equals approximately 50% less than 2008).

BUCKET 3 - OPERATIONAL READINESS FUND

Designed as an "emergency fund", for unexpected expenses, and periods of decreased cash flow.

BUCKET 4 - DEBT REDUCTION FUND

In addition to WRCC's regular mortgage payment, additional payments are made to reduce the outstanding debt and expedite payoff of the loan.

BUCKET 5 - SPECIAL PROJECTS

Special projects as defined by the Eldership. (i.e. Deer Creek Community Church).

CURRENT STATUS OF THE BUCKETS

As of 11/15/09, The buckets are filled according to the diagram below. The level of funds in the buckets changes weekly.
