

# PROJECT 3.19

Project 3.19 is special project in partnership with Deer Creek Community Church to support "On Track" (a career development & placement ministry to those currently under employed or desiring to find their calling in life).

## What Are the Financial Priorities at WRCC?

The priorities that direct the spending at WRCC are all broken into 5 "buckets". This bucket analogy demonstrates how the money flows through the priorities. All funds that come to WRCC are poured into the first bucket, and then the overflow fills the rest of the buckets as funds allow.

- Bucket 1 - Principles, Commitments & Staff (tithe, mortgage, utilities, payroll)**
- Bucket 2 - Ministry Programming (curriculum, supplies)**
- Bucket 3 - Operational Readiness Fund (emergency fund for shortfall)**
- Bucket 4 - Debt Reduction Fund (principle payments)**
- Bucket 5 - Special Projects (elder identified opportunities to build God's Kingdom)**

## How is Project 3.19 funded?

The funding for Project 3.19 is based on each family in the congregation giving an additional \$3.19 per day (or \$178 total) during the last 7 weeks of 2009. White River continues to be generous in our giving with an average of \$50,800 per week in 2009. To completely fill bucket 4 we need a weekly average of \$80,000 per week through the remainder of 2009.

Deer Creek will receive funds from Special Projects, in Bucket 5. Through the generosity of White River, the first 4 buckets must be filled prior to contributing financially to the On Track ministry partnership with Deer Creek.

## CURRENT STATUS OF THE BUCKETS

As of 1/2/06, The buckets are filled as below. The level of funds changes weekly.
